# It's not just a GARAGE

An unused garage is the perfect space for a:

- Mancave
- Hideout
- Estroden
- The Shop
- **Moffice**
- She Shed
- Mantuary
- Momcave
- Brojo
- Manland

Plenty of homeowners wish they had a space to tinker, create, work out, play games, watch sports or simply chill. You can easily transform your garage into living space and still set it up to be a garage again in the future. The process is not unlike renovating a basement and can be as basic or as fancy as your imagination and budget will allow. **TIMBER MART** has everything you need to convert your garage into a place to create, relax, and entertain.

**12 x 24 GARAGE  
INSTRUCTION GUIDE**

While there are many different ways to do so (including a variety of book and building methods) we have chosen those best suited for this 12' x 24' garage. Please read through the following steps carefully BEFORE proceeding, and, as always, be sure to check local bylaws to ensure approval and/or necessary permits. A good point to start is your nearest municipal office and Housing Office.

Typical finished garage (shown with additional options: soffit and fascia, insulation, venting and exterior finishing - not included).

Important: Manufacturer's instructions will supersede all information and diagram.
